How-to Guide

1. Download & Set Up:

- Scan the QR code and download the FRYP APP.
- Open the app and enter your cell number when prompted.
- Enter the verification code sent via text.
- Add the team code from above.
- Complete your profile by adding your name and profile picture.

2. Adding Contacts:

- On the Huddle page, tap "Add More Contacts."
- When prompted, allow access to your contacts. This enables the app to send fundraiser texts.
- Select your designated number of contacts and tap the button in the top right to add them.

3. When the Program Goes Live:

- Each team member must open the FRYP APP and go to "Add More Contacts."
- A list of previously added contacts will appear.
- Next to each contact, tap "Send" to generate a pre-written text.
- Send the text from your phone.

4. Sit back, let FRYP do the work!!!
